About: Dynamic web developer specializing in React, Next.js, JavaScript, and TypeScript, with a track record of delivering innovative and high-performance user interfaces that elevate user engagement and drive business growth.

Education

BS-CS

Sukkur IBA University

Intermediate

PN Cadet College Ormara

Academic Achievements

- Secured Merit based National Talent Hunt Program (NTHP) Scholarship at Sukkur IBA University
- First Prize in Web Development Competition (SIBAFEST 2024) at Sukkur IBA University
- 2nd Prize in Speed Programming Competition (SIBAFEST 2024) at Sukkur IBA University
- 2nd Prize in Web Development Competition (TECHFEST 2023) at Sukkur IBA University

Work Experience

Front-end Development internship at FastTect Systems Co LTD

June 2023 – Aug 2023

- Collaborated with the design team to implement responsive UIs using HTML, CSS, and JavaScript.
- Worked on optimizing existing web pages for performance and mobile compatibility.
- Gained experience in cross-browser compatibility and code debugging.

React and Next Js Fellow at Bytewise Limited

July 2024 – Sept 2024

- Built multiple front-end components using React and Next.js as part of a mentorship program.
- Gained hands-on experience in dynamic routing, Static Site Generation (SSG), and API integration.
- Collaborated in peer code reviews and followed Git version control best practices.

Front-End Developer at Digitenic

Aug 2024 – Mar 2025

- Developed and maintained scalable web applications with React and Tailwind CSS.
- Integrated REST APIs and ensured responsive design across various devices.
- Contributed to performance optimization, bug fixing, and UI enhancements in ongoing projects.

Professional Certification

August 13, 2023,

JavaScript Algorithms and Data Structures from FreeCodeCamp

Projects

1. Social Web App

- Built using **HTML**, **CSS**, and **JavaScript** to simulate core social media functionalities.
- View here: social-app-suleman615.vercel.app/home.

2. Villa Agency Website

- A modern real estate website developed with **Tailwind CSS** and **ReactJS**, showcasing various property listings.
- View here: villa-agency.vercel.app/.

3. E-commerce Website

- Designed and developed a shopping website using **HTML**, **Bootstrap CSS**, and **JavaScript** with product listings and cart features.
- View here: my-e-commerce-shop.vercel.app/.

4. Online Furniture Shop

- Created an elegant furniture store using **Tailwind CSS**, **Next.js**, and **TypeScript**, including category filtering and product pages.
- View here: furnirofurniture.vercel.app/.

Extra-Curricular Activities

- June 2021 - Aug 2022 Executive Member of Public Speaking and Literary Society at Sukkur IBA University
- Mar 2021 - June 2022 Cabinet Member of Student's Parliamentary Club at Sukkur IBA University
- Organized Robot Competition in Techfest 2023 at Sukkur IBA University
